July 19, 2018

Site #1: Shelby Street (near First United Methodist Church)

Site #2: James Jones Dr (near the Elementary School)

What is a Pop-Up?

- a.k.a. Tactical Urbanism
- The practice of temporarily making public spaces more walkable, bikeable, inviting, and productive.
- Communities across the country are using these as a best practice to activate spaces

What is a Pop-Up?

- A project begins when a community identifies a place that could be improved, and coordinates with the local jurisdiction to temporarily install improvements at the site.
- The public uses it, provides feedback, and the temporary feature informs the development of permanent infrastructure.
